MAKING WHEATHAMPSTEAD MORE BEAUTIFUL

The "Litter Blitzers" are a bunch of villagers who dislike being in litter-strewn surroundings. We want our village to be CLEAN – as well as notably attractive and historic.

We met monthly for four years, and now meet every other month on Saturdays (9.45 for 10.00); we target litter 'hot-spots' in or near the village. With an average team of 8, we make an obvious difference in 1½ hours, both to the look of the place and by rescuing many recyclables from landfill!

We are supported by the Parish Clerk and Councillors (through insurance cover, poster printing and lamination), and the District Council willingly provides needed equipment and collects all the bags of rubbish and recyclables. Lynn at T.Potts coffee shop generously offers each valiant Blitzer a free cuppa – with a voucher undated on the day.

Next Blitzes: March 13, May 8,  
July 11 (Sun 4pm, Village Day clear-up)

For when and where to meet, visit [www.litterblitz.org.uk](http://www.litterblitz.org.uk) or phone 01582 629494 (Eddie) or 834480 (Rosemary)
